With that gracious, naive, whimsical humble Libits of the large cities become acquainted the most charming of the Lisis Actions was all sisted and success of the targe industry of the large cities become acquainted with the types and conditions of the Lisis Actions the most charming of the Lisis Actions are removed as in our own planning, which met with many stumbling blocks, I can assure you. But as happiness within is creative we radiated the joy of living the part of Sarah Bernhardt.

The great argument in the warfare waged between the theater and pictures is that our voices are mute and the charm of color. But there are so many tributaries of our art which reach into regions where there is little known of the outside world, and to these nooks and corners of the carth we carry a great educational message. We teach the people of the high mountain country much of the high mountain country much of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquainted with the types and conditions of the large cities become acquaint

Salts to Flush Out Kidneys. Drink Plenty Water.

With the talking machine perfected as it is today and the moving pictures, which become more lifelike as new mechanical devices are invented, the wraiths of great artists will ever haunt us. Booth and Barrett will become history handed down from one generation to another, but our children's children will know and study the art of Sarah Bernhardt.

The great argument in the warfare and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, diziness, stomach gets sour, tongue coated and you Uric acid in meat excites the kidneys,

now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in vercoming kidney trouble while it only a trouble.-Adv.
